

Change Management Essentials

27 Sep | Online

Understand the dynamics of change at the individual, team and organisational level

- Define the key steps to manage change
- Effectively communicate change through various methods
- Manage and motivate people through the change process
- Learn to recognise barriers and constraints to change

THE AGENDA

Workshop

27 SEP | 9:00 - 4:30

- Change and the individual
- Change and the organisation - Defining the change
- Applying effective change management practice
- Communication and stakeholder engagement

YOUR FACILITATOR

A change and resilience coach, consultant, facilitator and speaker. Dianne works with corporate leaders, teams and organisations across the globe, to sustainably drive change, without sacrificing mental wellbeing. A former corporate leader, with a career spanning over 25 years in technology and organisational change, Dianne totally gets the challenges (and stress!) associated with trying to do MORE with LESS...less time, less budget, less resources.
