# EMBRACE CHANGE AND UNLEASH YOUR TRUE POTENTIAL

The Energy & Resources sector continues to experience ongoing change and advancements as new technology and global disruption transform the landscape. As a leader you need to know how to manage change and build a positive and resilient culture in an evolving workforce. Building indispensable networks and mastering influential communication across multiple platforms is key. You need to find the balance between creating a success focused environment, and keeping yourself and your team safe, healthy and productive. No easy task.

Liquid Learning has invited some of the most senior and accomplished leaders from across the sector to share their incredible stories and insights into what it takes to be a leader in 2023. Across two full days of exclusive case studies, expert skills sessions, interactive panel discussions and immersive group learning, you will explore what it really takes to step up and make a difference. This is your chance to hear from, network with, and celebrate the outstanding women and successful leaders making exceptional contributions to the Energy & Resources sector. Walk away with the skills and strategies you need to become an inspirational leader - and embrace your potential!

- Learn invaluable skills to advance your career in an evolving sector
- Develop strategies to be an adaptable leader
- Connect with likeminded leaders and establish an indispensable network
- ► Reflect in the future of energy and resources and to be actively engaged in this transformation

## WHAT OUR DELEGATES ARE SAYING

" Well run, managed, great guest speakers with great insights, experience and amazing stories. Loved it all!!!

" Best conference I've ever attended!

In my career I have been fortunate enough to have the opportunity to be part of the audience of many panels and this was an absolute stand out. Each and every panel member was honest, engaged, raw and real. So refreshing and engaging.

The content and topics discussed were exceptional and has provided me with great motivation to really look at my "why" and take the next step in my career.

"

Everything was extremely prepared and organised. Usually i have the mantra if I leave a workshop/ summit similar to this learning at least one thing it was useful - I have four pages of notes from this Liquid Learning session which is a testament to how great it was!
