#### YOUR FACILITATOR

Louise Thomson is a confident, courageous, and passionate woman who contributes her experience and wisdom to those who aspire to be better leaders. With three decades in leadership positions within corporate Australia, not-for-profit, volunteer and her own small business, Louise has experienced almost every situation faced by people leaders and business leaders. Louise works with leadership teams, aspiring leaders and is especially passionate about women who need support to rise into leadership roles where decision making is dominated by only half of the population. She was once described as an outstanding 'blank canvas' facilitator; enabling groups to learn from each other while providing strong support and expertise in leadership development.
