ABOUT THE EVENT

As we continue to navigate our way through these unprecedented times, shifts, and transformations occurring nationally and internationally are having a dramatic effect on the Public Sector. Although the future is still uncertain, it is critical that businesses and organisations find their new 'business-as-usual' and invest in the development of their teams and people if they wish to thrive in this new world of work. Responsive and adaptable leadership is critical when navigating this change successfully. Leaders who are responsible for this must be strategic, influential, and take responsibility for highly complex projects. This is particularly true for those in EL1 & EL2 roles.

Aimed at EL1 & EL2 level officers and management, this two-day workshop will deliver the essential toolkit for leading successfully in the Australian Public Sector. It will provide you with the chance to hone your current leadership skill set, as well as acquire new ones for taking the next step in your career. Delve into the increasing complexities of stakeholder management, building autonomy in your team, and becoming a key influencer and decision-maker.
