ABOUT THE EVENT

Local government continues to transform, creating challenges and opportunities for leaders in local councils. To achieve success, leaders must be equipped with the skills to navigate the sector's challenges, deal with change and drive transformation. It is crucial to possess a well-rounded set of skills, focused political acumen and to embody an influential leadership style.

This hands-on, two-day interactive workshop has been designed with both current and emerging leaders in mind. It will equip you with a practical leadership plan that you can use to navigate a successful career and advance to senior levels.

Book now to secure a seat and take the next step in your career.

TRAINING DELIVERY AND PRE-COURSE QUESTIONNAIRE

This workshop will be delivered using a three tiered approach. The structure of each session is as follows:

1. Technical overview and review of research into the topic area under discussion
2. Practical application of management principles in the review of case studies, worked examples and interactive exercises
3. Discussion of outcomes and implementation issues

Workshop participants will have the opportunity to include comments and questions about issues outlined in the program by way of a pre-course questionnaire. This feedback will enable the course facilitator to adjust content accordingly. The workshop has limited places to allow for customisation, greater interactivity and for individual concerns to be addressed.
