ABOUT THE EVENT

The reality of life post-COVID has not fully sunk in yet, and its consequences for our businesses, organisation, economy and society will play out over the rest of 2021 and beyond. Right now we need smart, values-driven and focused leadership to take us into the new era of work. It is more important than ever to distinguish yourself as a true leader in your organisation and begin to plot your path for progression.

Are you a star player in your current role as a team member or even as a manager? Either you've already been tapped on the shoulder or the step up to leadership is just around the corner. However, the step from star player to star leader isn't as straightforward as you might think. The performance metrics that attract praise from senior leaders now, aren't always the same skill sets that will make you an effective leader and help you stand out from the crowd. So, what are the skills you need to focus on to make the transition into leadership?

This interactive, two-day workshop will provide you with a unique professional development opportunity to enhance and refine your leadership toolkit. It is ideal for career-driven individuals who aim to unlock their potential and advance their career in the new World of Work.

DAY ONE
