ABOUT THE EVENT

The 2020 pandemic has had a dramatic effect on organisations globally. Teams are working remotely, communication is disrupted, productivity may be impacted and the future is uncertain. Responsive and adaptable leaders are critical when navigating this change successfully. Leaders who are responsible for this must be strategic, influential and take responsibility for highly complex projects. There has never been a more important time for impactful leadership, and during this uncertain time, it is vital to take time to maximise your leadership capabilities.

Aimed at mid-level managers, this two-day workshop will deliver the essential toolkit for leading successfully during the pandemic and beyond. It will provide you with the chance to hone your current leadership skill set, as well as acquire new ones for taking the next step in your career. Delve into the increasing complexities of stakeholder management, building autonomy in your team and becoming a key influencer and decision-maker.

This virtual workshop will provide you with an intensive professional development opportunity to enhance and refine your leadership skills in order to lead with confidence and conviction through the pandemic and beyond. Discover how your unique skill set can be sharpened to unlock your potential and take the next step in your career.
