ABOUT THE EVENT

The Government's record \$110 billion infrastructure investment over the next 10 years is an integral part of Australia's National Economic Recovery Plan. To effectively lead in this thriving but competitive space you need a range of tools, techniques and styles along with the wisdom to act appropriately in different situations and insights into the current and future drivers facing your organisation.

Aimed at middle to senior-level managers, this two-day workshop is an intensive professional development opportunity to enhance and refine your leadership skills in order to lead with confidence and conviction.

Delve into the increasing complexities of stakeholder management, building autonomy in your teams and becoming a key influencer and decision-maker. You will discover how your unique skill set can be sharpened to unlock your potential and take the next step in your career.
