ABOUT THE EVENT

Construction, infrastructure and engineering has become an integral part of Australia's National Economic Recovery Plan. In this thriving but competitive space, leaders must be both technically proficient and business savvy.

To be a leader and add strategic value to your organisation, you need to complement your occupational expertise with breakthrough leadership and effective and empowered team leadership. Learning to be self-aware and articulate your vision in a way that engages the right people at the right time are invaluable skills that will develop and enhance your authentic leadership voice.

This practical, hands-on two-day workshop dives into the many moving parts and key ingredients of a high-performing leader in this dynamic environment. Walk away equipped with the practical skills to communicate authentically, master emotional agility and create a personal action plan to unleash your leadership potential and take the next step in your career.

You also get front-row seats for an exclusive panel of established industry leaders, sharing their personal stories, insights and pathways to success!

WHAT OUR DELEGATES ARE SAYING

“ The facilitator was very engaging and lead group discussions very well.

She created a very open and safe environment for people to share stories. ”

“

Amazing presenter, very engaging!!

I have learnt so much and cannot wait to practice what I have learnt these 2 days in my future leadership journey. ”

“ Really valuable program. It felt indulgent to spend 2 days on myself but I think it will help me with my leadership and add value to my organisation ”
