ABOUT THE EVENT

The Pharmaceutical and Medical sectors are going through rapid yet exciting changes. This expansion opens opportunities for individuals and leaders to thrive. Using authentic leadership and clear communication to create adaptable workspaces will be key to finding success.

This workshop focuses on allowing existing and aspiring leaders to be more aware of the way they exercise leadership and their impact upon others. Through expert facilitation you will be encouraged to think about your role holistically and to understand the avenues in which you can be effective change agents. Practical and interactive sessions will equip you with strategies to enable you to align your approach with the current and emerging industry trends and their impacts.

You will also be invited to join an intimate leadership panel, where we have handpicked a selection of industry leaders to reflect on their experiences and share their guidance. You will learn how to move forward in an equally challenging and rewarding workforce. Engage the side of you that is a leader of leaders, who is more agile, resilient and set up for career success, ready to make a difference in the lives of others.

Book today to secure your seat and take ownership of your career.

WHAT OUR DELEGATES ARE SAYING

very informative, was related to the topics that we were hoping to gain from the workshop.

" Really valuable program. It felt indulgent to spend 2 days on myself but I think it will help me with my leadership and add value to my organisation

YOUR FACILITATOR

Dr Leanne Elich is an award-winning Business and Sales Psychologist, creator of the Business Mastermind Program and author of Solving the Sales Equation. She is one of Australasia most successful Medical Technology Business Executives and a leading expert in highperformance teams with over 25 years global experience. A graduate of the University of Sydney, Harvard Business School and Harvard Medical School, Leanne is a sought after expert in bridging the gap between science and business. Powered by her success, Leanne uses her established methodologies to teach businesses how to think differently, create value and set pathways for industry leadership. For over 20 years, she has studied and observed the intersection of behavioural science, psychology and the influence on business design, sales, marketing and executive leadership. Leanne regularly contributes to local and national media outlets, including ABC radio and the Sydney Morning Herald. Leanne is also an Honorary Clinical Fellow at the Queensland University of Technology, international Keynote speaker and Women in Leadership advisor.
