ABOUT THE EVENT

The Pharmaceutical and Medical sectors are going through rapid yet exciting changes. This expansion opens opportunities for individuals and leaders to thrive. Using authentic leadership and clear communication to create adaptable workspaces will be key to finding success.

This workshop focuses on allowing existing and aspiring leaders to be more aware of the way they exercise leadership and their impact upon others. Through expert facilitation you will be encouraged to think about your role holistically and to understand the avenues in which you can be effective change agents. Practical and interactive sessions will equip you with strategies to enable you to align your approach with the current and emerging industry trends and their impacts.

You will also be invited to join an intimate leadership panel, where we have handpicked a selection of industry leaders to reflect on their experiences and share their guidance. You will learn how to move forward in an equally challenging and rewarding workforce. Engage the side of you that is a leader of leaders, who is more agile, resilient and set up for career success, ready to make a difference in the lives of others.

Book today to secure your seat and take ownership of your career.
